BUILDING PRODUCTS, INC.  
AN ITOCHU COMPANY

## LEEDS Information – Hanger Wire

All PrimeSource Building Products, including hanger wire, are classified as building materials. As such, hanger wire is part of a system. The applicable hanger wire standards are:

### **Materials and Resources** **Waste Disposal Methods**

Excess hanger wire is recyclable and disposable in accordance with local, state or environmental ordinances.

### **Local /Regional Materials**

Unless specified as “American Made”, PrimeSource hanger wire is not produced locally or regionally.

### **Recycled Content**

PrimeSource hanger wire is made with **25%** recycled steel. This steel is 100% recyclable and disposable.
